

Dear Leaders and Co laborers in the Lord!

Greetings and Blessings in the precious Name of Jesus!

It is a pleasure to welcome you to the “**East Asian Christian Leader’s Consultation 2009**”!

This is an answer to a vision the Lord has given us many years ago! And I am so happy we can finally meet some of you in Bangkok, Thailand and get together in order to reach your countries with the gospel and equip the Body of Christ.

Follow Him International has a Mandate to equip the Body of Christ, so they can stand up in Power and walk in the Authority of Jesus Christ. Every Believer is supposed to walk in that Power and it is our passion to help the Body of Christ to rise up and become that bright shining light, that city on a hill that will bring Salvation, Freedom and Healing to many!

A couple of years ago when I was travelling through China the Lord showed me a vision and in the Spirit I saw a big sickle going through the fields and bringing in a mighty harvest. And then the word of the Lord came to me and he said that he is bringing in a great harvest, but that he is also sending in the Fivefold Ministry now to lay a good foundation, so that this move of God will not fade away like many did before, but be growing in maturity and continue until he returns!

We believe that **now is the time** to come to your region and to bring maturity to the church and help you to bring in the harvest and build the church according to the pattern that the Lord has given in his word, the bible. There is a lot of good change coming now and it is time that we start with it now!

A couple of months ago the Lord spoke to me personally very clearly that we should get started in Thailand and reach out to the surrounding countries from there. He said that we need to build a base there, where we can train the believers and send them back afterwards to their countries in East Asia.

It is a bit like Paul in Ephesus, when he drew back to the school of Tyrannus and it was said afterwards:

This continued for two years, so that all the inhabitants of [the province of] Asia, Jews as well as Greeks, heard the Word of the Lord [concerning the attainment through Christ of eternal salvation in the kingdom of God]. And God did unusual and extraordinary miracles by the hands of Paul, (AmpV)

Acts 19: 10-11

When Brother Richard Suberi told me about what the Holy Spirit had spoken to him and also Brother Tom Gegenschatz had heard the same thing from the Holy Spirit, it was clear for me that we need to act now and get going.

We are not coming to impose our Ministries there, but we will be coming to serve and minister and help lay a foundation that will stand the test of time and will bring the Body of Christ to maturity, so people will Follow HIM!

There are many other ways of helping. We will not only be looking at Spiritual Matters, but also be helping in natural things, like starting businesses and so on to extend the Kingdom of God.

Our main goal for this conference is to really find key players in the move of God in your region, so that we can work together in order to transform this area with the gospel and help you disciple your nations!

I am looking forward to getting to know you all personally and trust that the Lord will grant us abundant grace to put our hands together and fulfill the great commission in a time like this!

Glory be to God and I pray that God will put new hope and strength into your hearts as you read these lines! May you rise up and bring glory to the Name of Jesus and I look forward to meeting you very soon!

In His Love,

Claude Widmer
